Our C.I.T. Program will rock your world! Get ready to capture memories that will last a lifetime. Our program offers each young adult an opportunity to develop emotionally and socially in a relaxed and fun environment. During the summer, a special bond forms between our C.I.T.'s and our campers. This bond encourages our C.I.T.'s to value the needs of others as well as to build self esteem within them as they become responsible young adults. In addition, C.I.T.'s develop leadership skills while assisting our campers.

Afternoons are a special social time for the C.I.T.'s. This year our teens will enjoy a continuous well-planned program. As always, our C.I.T.'s will have art with a specialist, exciting bi-monthly field trips, cooking, leadership training and fun
