

THE FAIR SHARE PROGRAM

at

BET SHIRA CONGREGATION

FAIR SHARE is a self-evaluating system, a philosophy of giving, under which each family pays an annual commitment according to their financial ability. **FAIR SHARE** places equal responsibility on all families and has proven to be a most equitable method of supporting the programs, operations and maintenance of our Synagogue.

Since there are members who cannot afford even a small portion of their annual commitment, it is hoped that those of us who can will give our **FAIR SHARE** to ensure the continued success of Bet Shira.
