GIVING LEVELS

Please support the Jewish Education Center by helping us to fund the "extras" not covered through tuition including:

Holiday treats. We enjoy sharing apples & honey at Rosh Hashanah, latkes and doughnuts for Chanukah, fruits and nuts for Tu B'shvat and hamentashen for Purim

Chanukah gifts for Faculty, Staff and Madrichim. We traditionally give gifts as a show of appreciation for all the hard work they do for our children throughout the school year!

Purim gifts for faculty staff. In keeping with the Jewish custom of giving a small gift of sweets, we give mishloach manot baskets to our faculty and staff.

We ask that each Jewish Education Center family support these efforts by making a contribution at one of two levels:

$50 Chaver (Friend)

$72 Chaver Tov (Good Friend)

Please make your check payable to Bet Shira JEC. Thank you for all your support!
